

**We are excited to celebrate our 6th Annual honorary season for our Paseo Aquatics athletes and Scholars, the Paseo Aquatics Academic All-Star Team!**

We understand what a challenge it can be for our swimmers to excel in the water as well as in the classroom. Between carpool, in the water training, out of the water training, rehabilitation and meet weekends, being an elite swimmer is very time consuming. Then add the adjustments to Jr. High and High School, new friends, old friends, high school swimming, more and more homework AND the reason our swimmers are there -- an education!

The application for Paseo Aquatics Scholastic All-Stars is available annually between June 11th – July 31st on our [www.paseoaquatics.org](http://www.paseoaquatics.org) website. All applications will need to be submitted online or emailed to [admin@paseoaquatics.org](mailto:admin@paseoaquatics.org) along with the swimmer's transcript in PDF format NO LATER than July 31st with the full 2023-2024 school year's classes and grades included.

These are easily found on Infinite Campus or can be requested from your school. We will not accept Word docs, grade cards or report cards. Late applications will NOT be accepted or considered.

This program mirrors the USA Swimming All-American team rules and regulations, with some adjustments to include junior high athletes as well as time-standard adjustments. Please confirm that we've rec'd your information – as in the past, some have not arrived, and we want to be sure that all Scholar Athletes are recognized.
